Not much in the way of suggested structure here, but this rough work was at least touch a a few of the Key Ideas that will be reeded for this essay.

Answer The right to a peaceful protest ends at | feel famous here! the tip of my nose"-This is a quote from my Politics and Society teacher Which is one I believe to be very accurate. The theorist John Locke argues for three rights that are doesn't get the term quite right! unallenable; life, liberty and property. He believes that under certain circumstances it may be necessary to a "revolt". I will explore his concepts of them the roles of government and When as well as the Pideas of Thomas Hobber, Authoritarianism would have been a better choice of word here. Who has much more passion for a totaliteriangovernment. I will also examine that the mob mentality and how it can cause a protest againent here. to become violent. -> Cood layout of the areall intro where the essay 15 going to go ... John Loche believes that the government This T.S. relates has a role to protect and provide for its directly to the terms people, once they feil to this however, is when of the question wheat. he begoleems it acceptable to protest. Locke sees the government having certain unacceptable steges to which protest is then John permissable one Such Auge occasion Lots of good content bould be the handing of power over to her -it's clear from a foreign nation, removing the soverign reading it that he power of the nation Locke seer this as "get" Elu big ideas. an an unacceptable occurance and believes Heat the people have the right to revolt This feels like a solid into + the 1st main paragraph shows a clear personal engagement with the big ideas To improve: "Name drop" -> "In Locke's Second Treatise on Governut he argues that... If The big gap here is that this all remains completely theoretical whois the supporting contemporary evidence? What different Corns night a modern 'protest' table? Civil disobedience, gareral stribe, protest marches, Hunge Stribes etc.

So long as it does not take away analienable rights. This then allows for peaceful protests to occur as no one's life, liberty or property may be taken away exept for in extreme good to see that Circum Stences In modern Society we see the examiner reads the Similar beliefs, you may protest so long crossed out section. as you do not take from others his relates It WAS relevant buch to my teachers quote, you can protest ofter all! but your rights end out the tip of my Note: meaning you have no right to become Focus to the Key terms of the greation. In modern democratic Societies we see Finally getting to organised, peaceful protests for itsues such the contemporary as climate change (Treland and the youth protests) Contest It is the right of a person to protest if they feel wrong unfortanately this vight is not allowy upheld. Donald Trump's recent visit to the Uh Sported controversy as many people This was "low harging wished to protest his visit. This is to Frame this in Human Rights tems - inparticular Something locke would argue against. a discussion of Qualified Rights would Fit in purfectly here. The work of Thomas Hobbes can be seen An overt "Alternatury as the counter-argument against any form Comparative perspective of protest. It goes against the democratic He tees it up very well idea of a government of the people, for the for the examine people, by the people "as Said by Abraham Lincoln. > Cood dropping in of Key farms + welch guste. Hobbes agues for a Social contract in Which people give up a little of their liberty for the Sufety of the government. Hetse'tlabbes She saw the government as Soverign and divine, Something we not longer see in modern -> Again vo contemporary Context here. Society, tollowing Hobbes' logic There is no right for the people to protest vish. This feels a little bit under-developed, doesn't The rights of the people in a democratic H.R. framy again. Society include the right to protest. While We See elements of Locker and Hobbesean theory in our Inish Society we do not Share their beliefs on protest. The rights to protest inamodern society To improve - The Hobbas section here Feels very slim. Why not drop in the Leviathan or some historical context-

Ny best gress here is that this was an example of "marking to a curve" where people didn't answer this question well generally. I'm particularly taken aback by the an' E" mark of 19 - In a class context, I don't think this would have broken 10/20 for me! The KTs are very well done, though, so I can get behind he high I"+"K" marks There is strong serve of personal engagement throughout. It feels like a strong "Aa Hoc' response. My sense of it is, that as teacher get better at teaching Learning Outcome 3.1 the expected standard of an essay like this will inflate significantly... (a statement that I think applies to every essay at this stage).

Maybe I'm just mean. This was only the 2nd Jear of the exam and I hadrit made my "(ivil Disubedience + "Use of Violence against Non-Dem Covernments" yet !!!
